## About Me

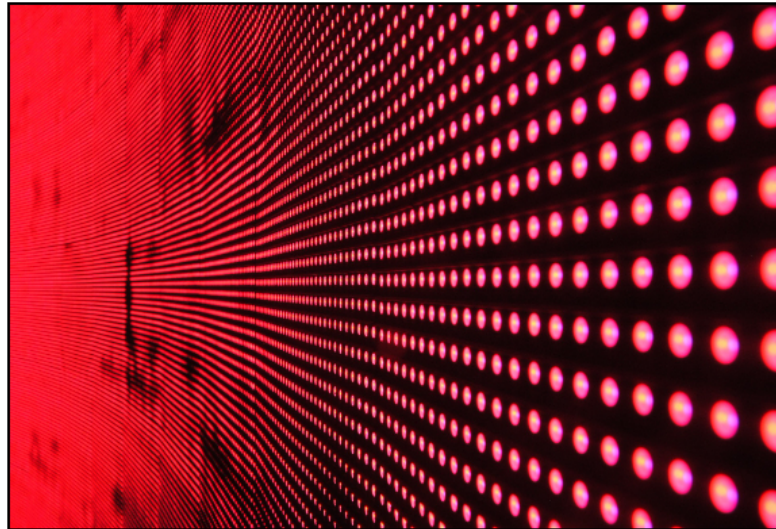

My name is Dylan Storm Johnson. I have studied animation, programming (HTML/CSS/JavaScript), and Japanese. I like to draw and create things, making them visually interesting or evoking of particular moods.

If hired, I will work diligently to not only meet, but exceed the parameters of the tasks I'm entrusted with. In Colossians 3:23 (NIV), Paul advised us: "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters,..." It is for this reason I will work to accomplish the tasks given to me in such a way as to honor the Lord as a hard worker.
